INTRODUCTION

The BCC, through the CSD invites eligible entities to submit proposals for Opioid Settlement Funds (OSF) for the development of tiny homes to be used for recovery community-based/transitional housing for eligible clients.

Proposed substance use, behavioral health and/or co-occurring disorder programs and services shall be provided within the Palm Beach County Resilience & Recovery Ecosystem of Behavioral Health and Substance Use Disorder Care (Ecosystem) (**Attachment 1**). The Ecosystem emphasizes resilience and social determinants of health with the aim toward building resilient and recovery-ready individuals and communities, as well as providing a clear system of care pathway that is person-centered and recovery-oriented. One that is also focused on individuals, improved long-term recovery outcomes and increased resiliency rather than solely on acute- and crisis-centric care.

Therefore, the purpose of this NOFO is to identify and select a minimum of one service provider to purchase and operate a Tiny Home Recovery Community-Based/Transitional Housing Pilot program consisting of a minimum of three (3) units for residents of Palm Beach County who are individual adults 18 and over and are recovering from substance use disorder. The Tiny Home Recovery Community-Based/Transitional Housing unit must accommodate a minimum of two (2) participants.

There will be a minimum of three (3) units onsite at any given time. The number one objective while participating in this project is to transition people into more permanent housing as quickly as possible, thereby opening space to help others off the street.

Government and Corporate Activism

In accordance with section 287.05701, Florida Statutes, Palm Beach County and CSD, including all members of any Review Panel team, will not (1) give preference to a Proposer based on the Proposer's social, political, or ideological interest and (2) request any information or documentation relating to a Proposer's social, political, or ideological interests.

BACKGROUND

Opioid Settlement Funds

On March 22, 2022, the BCC approved participation in the Florida Opioid Agreement and Statewide Response Agreement and authorized the Mayor to execute the Subdivision Settlement and Participation Form.

As required by the Florida Allocation and Statewide Response Agreement, the County worked with the Palm Beach County League of Cities to secure interlocal agreements with municipalities located within Palm Beach County that represent more than 50% of municipalities' total population. Palm Beach County submitted its Florida Opioid Agreement and Statewide Response Agreement Qualified County Qualification Form to the State of Florida on April 12, 2022 [FL Opioids Allocation SW Resp Agreement.pdf](#). In the qualification form, Palm Beach County certified the following:

- The County has a population of at least 300,000 and an opioid taskforce or other similar board, commission, council, or entity, including some existing sub-unit of the County's government responsible for substance abuse prevention, treatment, or recovery of which it is a member, or it operates in connection with its municipalities or others on a local regional basis.
- The County has an abatement plan that has been adopted or utilized to respond to the opioid epidemic.
- The County was, as of December 31, 2021, either providing or is contracting with others to provide substance use, prevention, recovery, and treatment services to its citizens.
- The County has entered into an inter-local agreement with at least 50% of the municipalities (by population) located within the County.

On November 15, 2022, the BCC approved the establishment of the Advisory Committee on Behavioral Health, Substance Use and Co-Occurring Disorders (BHSUCOD) and declared the BCC's expressed approval of a person-centered, recovery-oriented system of care. (Resolution R2022-1340) [Resolution R2022-1340 PDF](#) and the BHSUCOD 2022 Master Plan. The BHSUCOD is charged with enhancing the County's capacity and effectiveness in formulating behavioral health and substance use disorder policies as well as offering recommendations regarding the County's provision of services to its citizens. It is also responsible for making recommendations on responding to the opioid epidemic, as provided in section 17.42 of the Florida Statutes (2022), entitled "Opioid Settlement Clearing Trust Fund" and complies with the Florida Plan requirement to have an opioid taskforce or other similar board. On November 15, 2022, the BCC approved the BHSUCOD 2022 Master Plan.

In March 2024, the BHSUCOD released a draft update to the 2022 BHSUCOD Plan. The BHSUCOD received regular community input and established a two-week period to receive public comment on the Behavioral Health and Substance Use Disorder Plan 2024 (2024 Plan). Following this public comment period, a thematic analysis was conducted and incorporated into the final 2024 Plan that the BHSUCOD approved in May 2024. The BCC reviewed the 2024 Plan in May 2024, wherein it also received public comment. On October 22, 2024, the BCC unanimously approved the final version of the 2024 Plan, which incorporated public comments, and the opioid settlement fund expense plan as presented to the BCC. Furthermore, it also adopted the BHSUCOD's recommendation that opioid settlement funds should be spent as follows: 90 percent (90%) on social determinants of health prioritizing housing, recovery supports, care coordination, and environmental strategies to include youth, families, and community education; and 10 percent (10%) on deep-end and crisis care. In doing so, the BCC recognized that prior focuses on acute crisis care have not provided long-term results in the absence of addressing basic needs and other supportive services.

[The Behavioral Health and Substance Use Master Plan 2024](#)

NOFO Funding:

The total available for this NOFO is minimally \$185,000 for the anticipated period of July 1, 2026, through June 30, 2027.

FUNDING PROVIDED UNDER THIS NOFO MAY BE USED ONLY FOR THE PURCHASE OF TINY HOMES TO EXPAND COMMUNITY-BASED/TRANSITIONAL HOUSING CAPACITY. OTHER EXPENSES, INCLUDING BUT NOT LIMITED TO SITE DEVELOPMENT, DESIGN, CONSTRUCTION, PERMITTING, AND ANY ONGOING OPERATIONAL COSTS, ARE NOT ELIGIBLE FOR FUNDING AND MUST BE COVERED BY THE APPLICANT AGENCY AND/OR ITS COLLABORATING PARTNERS.

ELIGIBILITY

Qualified entities submitting applications for OSF Tiny Home Recovery Community-Based/Transitional Housing Units funding shall meet all statutory and regulatory requirements.

Applicants must be nonprofit treatment providers. For-profit entities and/or governmental entities are not eligible to apply for or to be subrecipients of OSF funds. All subrecipients must at a minimum, meet the eligibility standards described below:

To meet Threshold Review to be scored, a Nonprofit Applicant must:

- Hold current and valid 501(c)(3) status as determined by the Internal Revenue Service.
- Be chartered or registered with the Florida Department of State.
- Be incorporated for at least one agency fiscal year.
- Have provided the proposed services for at least six (6) months.
- Demonstrate accountability through the submission of acceptable financial audits performed by an independent auditor.
- Is not debarred
- Capacity to operate the project on a cost-reimbursement basis
- **APPLICANT MUST HAVE LAND IDENTIFIED FOR TINY HOMES** (as exemplified by Site Control, Local zoning and/or building code compliance).

If approved for funding by the Palm Beach County Board of County Commissioners, the Applicant must:

- Create a Vendor Registration Account OR activate an existing Vendor Registration Account through Palm Beach County Purchasing Department's Vendor Self Service (VSS) system, which can be accessed at:
<https://pbcvssp.co.palm-beach.fl.us/webapp/vssp/AltSelfService>.
- Maintain contractual liability insurance substantially similar to the terms listed in **Attachment 12: INSURANCE**, if awarded funding.

While not a requirement, Applicants are strongly encouraged to hold accreditation from Nonprofits First or demonstrate that they are exempt due to having an alternative professional accreditation or Certification (i.e., Joint Commission Accreditation, CARF Certification, etc.). If you are currently unable to obtain accreditation, membership is strongly encouraged.

A. BEHAVIORAL HEALTH AND SUBSTANCE USE DISORDERS PROGRAM OVERVIEW:

The County's collective and collaborative efforts have been directed at planning, developing and executing a comprehensive person-centered, recovery-oriented ecosystem of care. The County measures its initiatives primarily through a resilience and recovery capital framework because of its ability to capture resilience, health, well-being, social determinants of health and risk factors. Details on each of the levels can be found in **(Attachment 1)**.

Social Determinants of Health

Critical to the BCC’s goal of establishing a person-centered, recovery-oriented ecosystem of care is placing focus on social determinants of health (SDoH). CSD has engaged Florida Atlantic University’s (FAU’s) Center for Integrated Recovery and Wellness Studies to continue its research related to resilience and recovery capital and its relationship to SDoH in order to strengthen individual and community health, wellness and recovery from substance use disorder and mental illness.

The U.S. Centers for Disease Control and Prevention (CDC), Office of Disease Prevention and Health Promotion define SDoH as the conditions in the environments where people are born, live, learn, work, play, worship, and age that affect a wide range of health, functioning, and quality-of-life outcomes and risks. SDoH are grouped into five domains: economic stability, education access and quality, health care access and quality, neighborhood and built environment, and social and community context.

Substance Abuse Mental Health Services Administration (SAMHSA) recognizes the importance of addressing SDoH as key levers to achieving improved outcomes for people with behavioral health conditions. The White House Domestic Policy Council (DPC) in its 2023 *Playbook to Address Social Determinants of Health* emphasizes the fact that improving health and well-being across America requires addressing the social circumstances and related environmental hazards and exposures that impact health outcomes.

An inability to meet these social needs puts individuals at higher risk for exacerbating health conditions such as heart disease, stroke, depression, cancer, and diabetes according to the DPC. Compounding the problem, unmet social needs can cause major disparities in health outcomes that may be predetermined by geography, race, ethnicity, age, income, disability status, and several other factors.

As the Palm Beach County RCI data discussed above demonstrate, the primary factors contributing to low RCI scores are based on SDoH factors (personal financial wellbeing, employment, knowledge and skills, basic needs, transportation and social access to healthcare).

B. SERVICE CATEGORY

The BCC through the CSD invites eligible entities to submit proposals for the Opioid Settlement Funds Service Category for the Purchase of Tiny Homes Recovery Community-Based/Transitional Housing, as defined in this NOFO, for period from July 1, 2026 –June 30, 2027.

The sole service category that is the focus for this NOFO is **Purchase of Tiny Homes Recovery Community-Based/Transitional Housing Pilot to Support People in Treatment and Recovery.**

Opioid Settlement Funded Pilot Tiny Home Recovery Community-Based/Transitional Housing Program

Program Guidelines

I. Program Purpose and Authority

The County, through its CSD, administers Opioid Settlement Funds (OSF) in accordance with the Florida Opioid Allocation and Statewide Response Agreement and the Behavioral Health and Substance Use

Disorder Plan (Plan 2024).

The purpose of the Opioid Settlement Funded Tiny Home Community-Based/Transitional Housing Program (“Program”) is to address housing instability as a critical social determinant of health for individuals impacted by substance use disorders by supporting the acquisition and operation of transitional tiny home housing paired with treatment and recovery-oriented supportive services.

This Program is implemented as a pilot initiative and is designed to complement Countywide housing strategies for individuals experiencing behavioral health and substance use disorders in need of Community-Based/Transitional Housing.

II. Allowable Use of Opioid Settlement Funds

Consistent with the Florida Opioid Allocation and Statewide Response Agreement, Opioid Settlement Funds under this Program may be used for:

- The acquisition of prefabricated tiny home units intended for use as Community-Based/Transitional Housing.
- Program models that integrate housing with treatment, case management, and recovery supports.

Opioid Settlement Funds may not be used for ongoing operating subsidies unrelated to the approved scope, or for purposes inconsistent with State or County opioid settlement requirements.

III. Program Model

The Program supports a community-based/ transitional housing model with the following core elements:

- Prefabricated tiny homes unit must accommodate a minimum of two (2) participants;
- Owned and operated by a nonprofit provider;
- Recovery-Oriented System of Care Principles that are Person-Centered;
- Time-limited Community-Based/Transitional Housing, with a maximum length of stay of up to twenty-four (24) months per participant;
- Wraparound treatment and supportive services delivered on-site or through coordinated partnerships; and
- Integration of social determinants of health, including housing instability, for populations impacted by opioid use disorder and co-occurring behavioral health conditions.

a. Eligibility and Programmatic Guidelines for Agencies Seeking Funding for Tiny Homes

Proposals for Tiny Homes must demonstrate the capacity to comply with the following programmatic guidelines:

- **Alignment of Recovery-Oriented System of Care (ROSC)**
The ROSC guidelines and elements must be integrated into the Agency’s program where the Tiny Homes are located for participants.
- **Integration of Care**
Medication-Assisted Treatment (MAT) must not be prohibited, and it must follow FDA-approved

medications, such as methadone, buprenorphine, and naltrexone—along with evidence-based counseling and therapy, as appropriate.

- **Beyond Detoxification**

Outpatient Treatment approaches must extend beyond the management of acute withdrawal symptoms and explicitly address underlying neurobiological changes associated with substance use disorders in order to promote and support sustained, long-term recovery.

- **Addressing Psychosocial Needs**

Effective Treatment programs must address co-occurring psychosocial needs, including but not limited to mental health services, vocational training, legal assistance, and stable housing supports.

- **Individualized Recovery Planning**

Outpatient Treatment and Recovery services must be individualized and responsive to each participant’s unique clinical needs, personal circumstances, and stage of recovery. A uniform or “one-size-fits-all” approach is not acceptable.

- **Shared Decision-Making**

Programs must incorporate shared decision-making practices, ensuring that participants and providers collaborate.

b. Services and Support Components

Funded programs must provide, at a minimum, the following core services and support components. Services may be delivered directly or through formal partnerships and must be appropriately coordinated to ensure continuity of care:

1. **Recovery Support Services**

Peer-to-peer support and other non-clinical supports that promote sustained recovery.

2. **Clinical Treatment Services**

Evidence-based substance use disorder treatment services, including outpatient, intensive outpatient, and residential levels of care integrated with mental health and primary care services as appropriate.

3. **Case Management and Care Coordination**

Comprehensive case management services, including linkage to needed services, care coordination across providers, and ongoing monitoring and follow-up.

4. **Prevention and Education**

Community-based prevention, wellness education, and harm reduction initiatives designed to reduce risk and promote health and safety for participants.

5. **Family and Community Services**

Services that support family engagement, advocacy, and meaningful involvement of families and community supports in treatment and recovery planning.

6. **Vocational and Social Support Services**

Employment readiness and placement services, educational support, and transportation assistance to promote economic stability and social reintegration.

7. **Recovery Community Engagement**

Incorporating Recovery “Community” Engagement activities with participants on a weekly/monthly basis to promote community with other residents in recovery. This may include but not be limited to engagement with the nearest Recovery Community Organization/Recovery Community Centers (i.e., Rebel Recovery, the HUBs), planning recovery-friendly activities, gatherings, socials, etc.

FUNDING PROVIDED UNDER THIS NOFO MAY BE USED ONLY FOR THE PURCHASE OF TINY HOMES TO EXPAND COMMUNITY-BASED/TRANSITIONAL HOUSING CAPACITY. OTHER EXPENSES, INCLUDING BUT NOT LIMITED TO SITE DEVELOPMENT, DESIGN, CONSTRUCTION, PERMITTING, AND ANY ONGOING OPERATIONAL COSTS, ARE NOT

ELIGIBLE FOR FUNDING AND MUST BE COVERED BY THE APPLICANT AGENCY AND/OR ITS COLLABORATING PARTNERS.

OSF Funding Requirements

Individuals served through OSF funding must be residents of Palm Beach County with a Substance Use/Co-Occurring Disorder and all activities must take place within Palm Beach County.

Proposals for OSF funding are to establish new programs or expand and/or enhance the availability of services and supports. Opioid Settlement Funds shall be supplemental to and shall not take the place of any other funds, including, but not limited to, funding from other grants that have lapsed or shrunk, whether it is a county, state or federal grant. OSF funding is to be utilized as funding of last resort, meaning that other existing funding, such as insurance to pay for services, shall be exhausted before OSF funding is used. Funding shall be used exclusively to fund the programs or projects that align with the goals of the 2024 Plan and are a Core Strategy and/or an Approved Use under the State Opioid Settlement Agreement.

Proposals submitted for the OSF Funding shall:

- Demonstrate alignment with Palm Beach County's Resilience and Recovery Ecosystem of Behavioral Health and Substance Use Disorder Care. **(See Attachment 1)**
- Demonstrate alignment with the 2024 Plan. [The Behavioral Health and Substance Use Master Plan 2024](#)
- Identify the Core Strategies and/or Approved Uses that the proposal meets and identify how funding will be allocated for each strategy or approved use.
- Agree to utilize evidence-based or evidence-informed practices with fidelity.
- Agree to measure individual and/or community resilience through regular administration of the Resiliency/Recovery Capital Index Survey.
- Agree to participate in research related to initiatives.
- Comply with the OSF Programmatic Requirements.
- Integrate via collaborative agreements for the provision of ongoing supportive services to participants residing in the OSF Tiny Homes Recovery Community-Based/Transitional Housing units.
- Operate the OSF Tiny Homes Recovery Community-Based/Transitional Housing program for a minimum of ten (10) years.
- Comply with State and County reporting requirements for OSF funds. **(See Attachment 2)**
- Comply with 2 Code of Federal Regulations (CFR) Part 200, which provides uniform administrative requirements, cost principles and audit requirements applicable to this funding source. <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200>.

C. FUNDING AVAILABILITY

All proposals must be category-specific (Tiny Homes Recovery Community-Based/Transitional Housing).

The BCC determines available funding for each of the fiscal years covered by this NOFO. The minimum funding available for the 2026-2027 State Fiscal Year (FY) is \$185,000. A maximum of \$100,000 will be awarded per tiny home unit.

A Tiny Homes Recovery Community-Based/Transitional Housing Unit is defined as: prefabricated tiny home is a dwelling unit 400 square feet or less (excluding lofts) that is constructed off-site in a factory setting, transported to a final building site, and installed on a foundation. The Applicant must meet all applicable local, building, zoning, permitting, compliant with Americans with Disability (ADA) and other applicable federal, state, and local government rules/regulations.

Further, the BCC sees public safety as a critical component of successful human services programs. As such, while we will not prescribe policies, we expect the following to be fully adopted and/or adhered to by the successful applicant and/or its collaborating partners:

- Maintain on-site security 24 hours per day, 365 days per year.
- Establish, maintain, and enforce a set of client rules and expectations, as well as accountability procedures.
- Report all incidents of criminal activity, by residents or guests, to appropriate enforcement agency.
- Always meet all fire code requirements to ensure ingress and egress are available.
- Build and maintain relationships with appropriate public safety personnel which may include: First Responders and other critical partners.
- Lighting features must remain in working condition and be maintained.
- Notify CSD immediately in cases of natural disaster, criminal activity, or significant first responder response as soon as possible and no longer than 12 hours after incident.
- Not to allow overnight guests of residents and create reasonable limitations for number and length of visit per resident.

*Important to note that external service providers/service partners are not considered guests of residents and should not be limited in length or frequency of visit.

REQUIRED OUTCOME:

Pilot Tiny Homes Recovery Community-Based/Transitional Housing Category

Programs in the Pilot Tiny Homes Recovery Community-Based/Transitional Housing Category shall address the following outcome

Outcome: Purchase and install a minimum of three (3) Tiny Homes Recovery Community-Based/Transitional Housing Units

ADDITIONAL REQUIREMENTS FOR PROPOSALS

Applicant Agencies will be required to register with the State to gain access to the Florida Opioid Implementation and Financial Reporting System (FOIFRS). To obtain access to FOIFRS, an access request email should be sent to: HOW.SAMH.Opioid.Data.Access.Support@myflfamilies.com

No payment will be made for proposals received or for any other effort required of or made by applicants prior to commencement of work as defined by an agreement approved by the BCC.

PROJECT APPLICATIONS OPEN TO THE PUBLIC

Applicants are hereby notified that all information submitted as part of, or in support of, OSF applications will be available for public inspection in compliance with the Florida Public Records Act.

CONE OF SILENCE

This NOFO includes a Cone of Silence. The Cone of Silence will apply from the date the NOFO is due back to the department, which is **May 27, 2026**, until the final OSF contract agreements (approximately July 7, 2026) are approved by the BCC.

All parties interested in submitting a proposal are hereby advised of the following:

Lobbying - Cone of Silence

Applicants are advised that the "Palm Beach County Lobbyist Registration Ordinance" (Ordinance) is in effect. A copy of the Ordinance can be accessed at:

http://discover.pbcgov.org/legislativeaffairs/Pages/Lobbying_Regulations.aspx

Applicants shall read and familiarize themselves with all of the provisions of said Ordinance, but for convenience, the provisions relating to the Cone of Silence have been summarized here.

"Cone of Silence" means a prohibition on any non-written communication regarding this NOFO between any Applicant/Respondent or Applicant's/Respondent's representative and any County

Commissioner or Commissioner's staff, any member of a local governing body or the member's staff, a mayor or chief executive officer that is not a member of a local governing body or the mayor or chief executive officer's staff, or any employee authorized to act on behalf of the commission or local governing body to award a contract.

An Applicant's representative shall include but not be limited to the Applicant's employee, partner, officer, director or consultant, lobbyist, or any, actual or potential subcontractor or consultant of the Applicant.

The Cone of Silence is in effect as of the submittal deadline. The provisions of this Ordinance shall not apply to oral communications at any public proceeding, including technical assistance conferences, and contract negotiations during any public meeting. The Cone of Silence shall not apply to contract negotiations between any employee and the intended awardee and any dispute resolution process following the filing of a protest. The Cone of Silence shall terminate at the time that the BCC awards or approves a contract, when all proposals are rejected, or when an action is otherwise taken that ends the solicitation process.

SECTION III: SCOPE OF SERVICES

ANTICIPATED TERMS OF SERVICE

OSF Funding Term:	July 1, 2026 – June 30, 2027
OSF Start Date:	July 1, 2026
OSF End Date:	June 30, 2027

All contracts are contingent upon annual appropriations and approval by the BCC.

TERMS AND CONDITIONS

1. Proposal Guarantee

Proposer guarantees their commitment, compliance and adherence to all requirements of the NOFO by submission of their proposal.

2. Modified Proposals

Proposer may save any unfinished on-line proposal and continue to modify the proposal until the proposal is submitted. Once submitted, the proposal can no longer be modified.

3. Late Proposals, Late Modified Proposals

Proposals and/or modifications to proposals submitted after the deadline are late and will not be considered.

4. Palm Beach County Office of the Inspector General Audit Requirements

Palm Beach County has established the Office of the Inspector General in Palm Beach County under Article XII, Section 2-422, as may be amended, to provide independent oversight of County and Municipal operations (Article XII, Section 2-423). It also has the authority to detect and prevent fraud, waste, mismanagement, misconduct, and other abuses by elected and appointed officials and employees, agencies and instrumentalities, contractors, their subcontractors and lower tier subcontractors, and other parties doing business with the county or a municipality and/or receiving county or municipal funds. Its aim is to promote economy, efficiency and effectiveness in government and conduct audits and investigations of, require production of documents from, and receive full and unrestricted access to the records.

The Inspector General has the power to subpoena witnesses, administer oaths and inspect the

activities of the agency, its officers, agents, employees, and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud. Failure to cooperate with the Inspector General or interference or impeding any investigation shall be in violation of Palm Beach County Code 2-421 through 2-440, and punished pursuant to section 125.69, Florida Statutes, in the same manner as a second-degree misdemeanor.

5. Commencement of Work

The County's obligation will commence when the contract is approved by the BCC or their designee and upon written notice to the proposer. The County may set a different starting date for the contract. The County will not be responsible for any work done by the proposer, even work done in good faith, if it occurs prior to the contract start date set by the County.

6. Non-Discrimination

The County is committed to assuring equal opportunity in the award of contracts and complies with all laws prohibiting discrimination. Pursuant to Palm Beach County Resolution R2025-0748, as may be amended, the proposer warrants and represents that throughout the term of any awarded agreement, including any renewals thereof, if applicable, all of its employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, or genetic information. Failure to meet this requirement shall be considered default of the agreement.

7. OSF funding requires compliance with 2 CFR Part 200, State and County requirements.

8. Required Threshold Elements for Proposals to be accepted and scored

All proposals must:

- Demonstrate alignment with Palm Beach County's Resilience and Recovery Ecosystem of Behavioral Health and Substance Use Disorder Care. **(See Attachment 1)**
- Demonstrate alignment with the 2024 Plan. [The Behavioral Health and Substance Use Master Plan 2024](#)
- Identify the Core Strategies and/or Approved Uses that the proposal meets and identify how funding will be allocated for each strategy or approved use.
- Agree to utilize evidence-based or evidence-informed practices with fidelity.
- Evidence of site control for the entire project site(s) in the form of a fully executed contract for purchase of the property(ies), option to purchase, long-term lease, lease option, recorded deed, or recorded certificate of title.
- Identify the current zoning and land use for the project site and identify all applicable development review processes including but not limited to: re-zoning, zoning variances, future land use changes, comprehensive plan amendments, platting, site plan approval, and building permitting. Provide estimated dates/timeframes for all submittals, reviews, hearings, and approvals, and indicate the status of project applications in all such applicable development review processes.
- A detailed development pro forma that identifies all development sources and uses of funding, and that identifies all proposed sources of County funding/subsidy. Include documentation supporting all proposed construction costs in the form of either an estimate of probable cost prepared by a tiny home manufacturer.
- Documentation evidencing availability of all sources of funding required for the non-County balance of the project development budget. Acceptable documentation includes documentation from the funding source(s) providing a firm or a conditional commitment to fund and

identifying all terms and conditions.

- Applicant and/or Collaborating Partners agree to participate in research related to initiatives.
- Comply with the OSF Programmatic Requirements.
- Comply with State and County reporting requirements for OSF funds. (See **Attachment 2**)
- Comply with 2 Code of Federal Regulations (CFR) Part 200, which provides uniform administrative requirements, cost principles and audit requirements applicable to this funding source. [2 CFR Part 200 \(up to date as of 1-22-2025\)](#).

9. Scoring: Maximum score is 100 points

Qualified entities are invited to submit applications to provide services to Palm Beach County residents. The Review Panel will score all proposals based on how clear the proposal is, how comprehensively it addresses the subcategory, including what was noted in terms of what the County is looking to fund, and overall, how responsive it is to the requirements that have been outlined in this NOFO. Although scoring is done individually by each panelist, part of the scoring process includes discussing amongst the panelists, each proposal's strengths, missed opportunities and overall quality.

The scoring sections are:

- | | |
|---|--------------------------------|
| • Program Narrative and Implementation: | maximum score 50 points |
| • Organizational Capacity: | maximum score 25 points |
| • Budget: | <u>maximum score 25 points</u> |
| Total Maximum Score: 100 points | |

The SCORE awarded to a proposal is reflective of how competitive the proposal is. (See **Attachment 4**)

10. Government and Corporate Activism

In accordance with section 287.05701, Florida Statutes, Palm Beach County and CSD, including all members of any Review Panel team, will not (1) give preference to a proposer based on the proposer's social, political, or ideological interest and (2) request any information or documentation relating to a proposer's social, political, or ideological interests.

11. Reservation of Rights – Additional Terms and Conditions

The County reserves the right, at the time of award and contract negotiation, to impose additional terms, conditions, performance requirements, reporting requirements, restrictive covenants, reverter provisions, compliance conditions, or other contractual provisions as deemed necessary to protect the County's interests and ensure compliance with State and County requirements.

Submission of a proposal constitutes acceptance of the County's right to include such additional terms in the final agreement.

12. Experiencing Unforeseen Technical Issues:

An applicant that experiences unforeseen technical issues beyond its control with the WebAuthor/SAMIS system, which prevents it from submitting its application by the deadline, must contact the CSDFAARFP@PBC.GOV to report the technical issue, Monday through Friday between the hours of 9:00 a.m. and 5:00 p.m., Eastern Time (ET) within 24 hours after the application deadline to request approval to submit its application after the deadline. The applicant's email must describe the technical difficulties, and must include a timeline of the applicant's submission efforts. Note: CSD does not

automatically approve requests to submit a late application even in the event of technological difficulties. After CSD reviews the applicant's request, and verifies the reported technical issues, CSD will inform the applicant whether the request to submit a late application has been approved or denied. If CSD determines that the late application submission was due to the applicant's failure to follow all required procedures, CSD will deny the applicant's request to submit its application.

The following conditions generally are insufficient to justify late submissions:

- Failure to follow each instruction in the CSD NOFO.
- Failure to complete all required questions within the application.
- Technical issues with the applicant's computer or information technology environment, such as issues with firewalls or browser incompatibility.

SECTION VII: DEFINITIONS

Adults – Individual(s) 18 years of age and over.

Care Coordination - Care coordination involves deliberately organizing individual care activities and sharing information among all of the service providers concerned with an individual’s care to achieve safer and more effective care. This means that the individual’s needs and preferences are known ahead of time and communicated at the right time to the right people, and that this information is used to provide safe, appropriate, and effective care to the individual.¹

Ensure services are delivered using trauma-informed, recovery-oriented, and culturally responsive practices.

No Wrong Door – “No Wrong Door” in the context of substance use, behavioral health and co-occurring disorders systems refers to a service delivery approach where individuals seeking help can access appropriate services regardless of where they enter the system. The system is designed to be person-centered, focusing on the needs of the individual rather than the capabilities or constraints of a service provider. It aims to reduce barriers to services by ensuring that the burden of navigating complex systems does not fall on the individual seeking help. Also, it aligns with broader public health strategies that advocate for comprehensive, integrated care models.

Prefabricated Tiny Home – A prefabricated (prefab) tiny home is a compact, factory-built dwelling—typically under 400 square feet—constructed off-site in sections or as a complete unit, then transported and installed on a foundation or trailer. These homes emphasize efficiency, sustainability, and faster, more affordable construction compared to traditional site-built home. The Tiny Home Recovery Community-Based/Transitional Housing unit must accommodate a minimum of two (2) participants.

Pro-Forma - is a forward-looking financial model that estimates a project's costs, revenues, and profitability, typically used in real estate and development to evaluate feasibility. It serves as a "what-if" analysis tool, forecasting net operating income (NOI), cash flow, and return on investment (ROI) based on assumptions like occupancy, rental rates, and expenses.

Supportive & Treatment Services - Provide or coordinate the delivery of wraparound services, including but not limited to:

- Behavioral health and substance use disorder treatment
- Case management and care coordination
- Primary care coordination
- Benefits enrollment (e.g., Medicaid, SSI/SSDI, SNAP)
- Employment and workforce linkage
- Life skills development and tenancy readiness
- Permanent housing navigation and placement.

SITE Plan – A site plan (or plot plan) is a detailed, top-down, scaled drawing showing a property's boundaries, existing structures, and proposed improvements. It serves as a comprehensive map for construction, landscaping, and permitting, detailing features like buildings, driveways, utilities, and setbacks. It is crucial for planning and municipal approval.

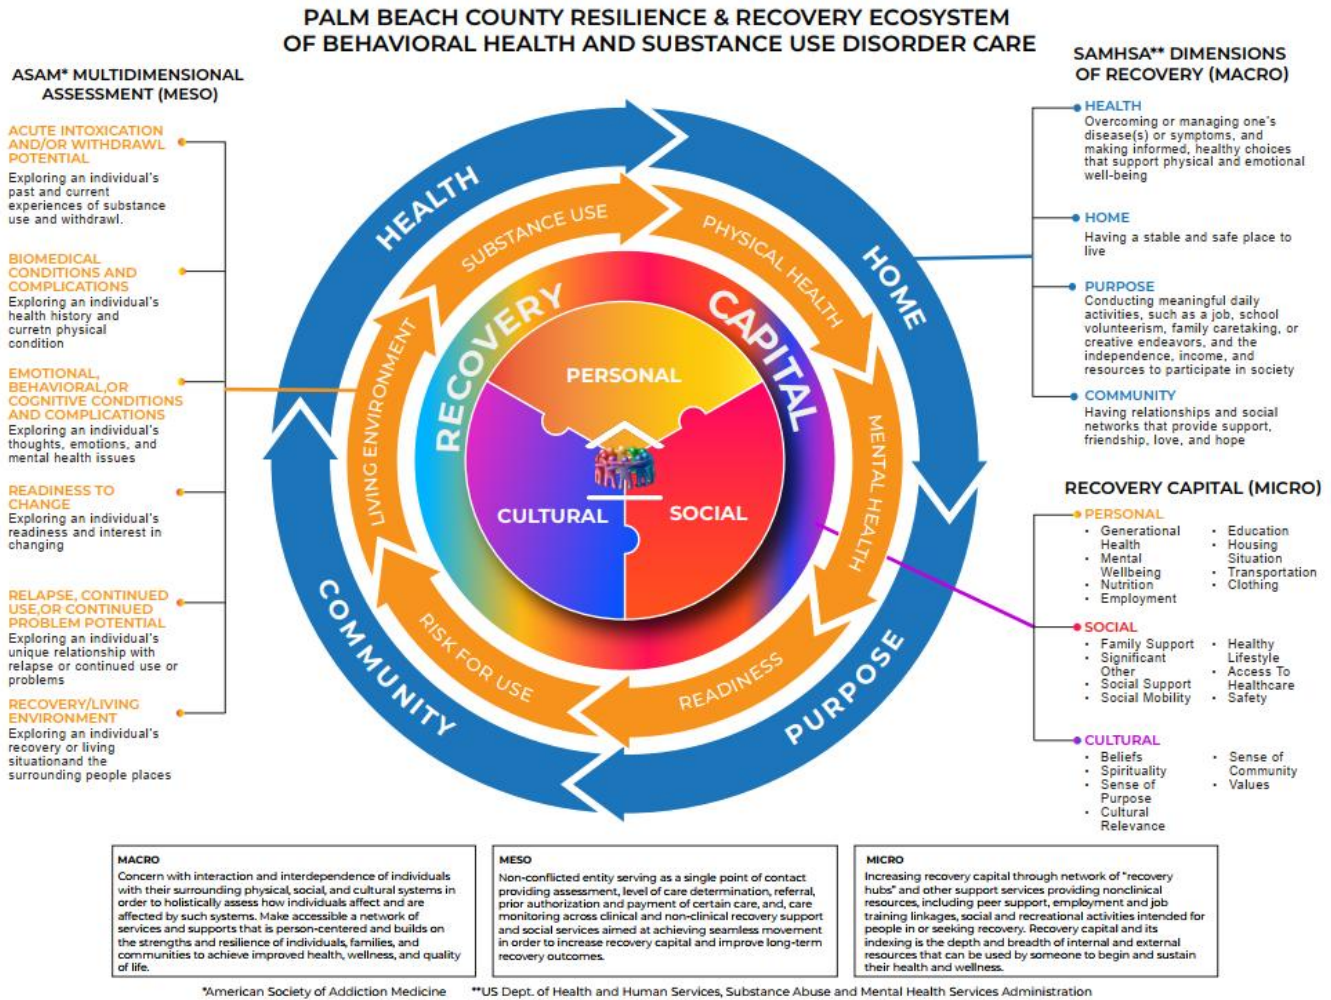

Trauma Informed Care (TIC) Model – An approach that recognizes the widespread impact of trauma and

¹ Internet Citation: Care Coordination. Content last reviewed November 2024. Agency for Healthcare Research and Quality, Rockville, MD. <https://www.ahrq.gov/ncepcr/care/coordination.html>

understands potential paths for recovery, recognizes the signs and symptoms of trauma in clients, families, staff, and others involved with the system, responds by fully integrating knowledge about trauma into policies, procedures, and practices and seeks to actively resist re-traumatization. TIC models generally include a focus on the following: Safety; Trustworthiness and Transparency; Peer Support; Collaboration and Mutuality; Empowerment; Voice and Choice; and Cultural, Historical, and Gender Issues.

Warm Hand-off – A warm hand-off is more than the provision of information or referrals – it is compassionate and non-coercive accompaniment to an appropriate care provider. It is a form of referral to treatment or other services. A transfer of care through face-to-face, phone or video interaction in the presence of the person being helped.

ATTACHMENT 1: PALM BEACH COUNTY RESILIENCE & RECOVERY ECOSYSTEM

The ecosystem, at the Macro level, is concerned with interaction and interdependence of individuals with their surrounding physical, social, and cultural systems to holistically assess how individuals affect and are affected by such systems. It makes accessible a network of services and supports that are person-centered and builds on the strengths and resilience of individuals, families, and communities to achieve improved health, wellness, and quality of life. (See Attachment 1 <https://discover.pbcgov.org/communityservices/financiallyassisted/Pages/RFP.aspx>)

Resilience and Recovery Ecosystem of Behavioral Health and Substance Use Disorder Care

The Meso level provides a non-conflicted entity serving as a single point of contact providing assessment, level of care determination, referral, prior authorization and payment of certain care, and care monitoring across clinical and non-clinical recovery support and social services aimed at achieving seamless movement in order to increase recovery capital and improve long-term recovery outcomes.

The Micro level aims to increase an individual’s resilience and recovery capital through a network of “Recovery Hubs” and other support services providing nonclinical resources, including peer support, employment and job training linkages, social and recreational activities intended for people in or seeking recovery.

SAMHSA indicates resilience is a key component to a system of care. In an extensive literature review published in *Child and Adolescent Psychiatry*, resilience is defined as “a multi-systemic dynamic process of successful adaption or recovery in the context of risk or a threat.” One of the conclusions from this study is that resilience is unanimously negatively associated with depression, anxiety and trauma symptoms in youth, and is therefore meaningful for screening purposes in at-risk populations/situations.

As such, higher levels of resilience offer better mental health and health outcomes. This is true, not only in adolescents’ and children’s populations, but in the adult population as well. Thus, foundationally, increasing resilience across populations is a major aim.

ATTACHMENT 2: STATE AND COUNTY OSF REPORTING AND RETENTION REQUIREMENTS

- State and local governments shall follow their existing reporting and records retention requirements along with considering any additional recommendations from the Opioid Abatement Taskforce or Council.
- State and Local Governments shall ensure that any provider or sub-recipient of Opioid Funds at a minimum does the following:
 - Any provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of Opioid Funds.
 - Any provider shall retain and maintain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to the use of the Opioid Funds during the term of its receipt of Opioid Funds and retained for a period of six (6) years after it ceases to receive Opioid Funds or longer when required by law. In the event an audit is required by the State or Local Government, records shall be retained for a minimum period of six (6) years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of any award or contract.
 - At all reasonable times for as long as records are maintained, persons duly authorized by State or Local Government auditors shall be allowed full access to and the right to examine any of the contracts and related records and documents, regardless of the form in which kept.
 - A financial and compliance audit shall be performed annually and provided to the State (refer to: [F.S. 215.97 Florida Single Audit Act](#)).
 - All providers shall comply and cooperate immediately with any inspection reviews, investigations, or audits deemed necessary by The Office of the Inspector General (section 20.055, F.S.) or the State.
 - No record may be withheld nor may any provider attempt to limit the scope of any of the foregoing inspections, reviews, copying, transfers or audits based on any claim that any record is exempt from public inspection or is confidential, proprietary or trade secret in nature; provided, however, that this provision does not limit any exemption to public inspection or copying to any such record.

Additionally, Opioid Settlement specific reporting and accountability.

- Reporting on expenditures for the previous fiscal year are to be reported to the Department of Children and Families (DCF) by no later than August 31st.
- Reporting to DCF is due by July 1st of each year on how Opioid Funds will be expended in the upcoming fiscal year.

The State Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate effectiveness of expenditures on Approved Purposes.

- DCF has established a statewide Opioid Implementation and Financial Reporting System (“Florida Opioid Implementation and Financial Reporting System” (FOIFRS) to which providers may request access for the purpose of submitting implementation plans and financial reports.

For additional information, please see: [Florida Opioid Allocation and Statewide Response Agreement](#)

Access to the Opioid Data Management System.

Please find the link below to the Smartsheet request access form. Additionally, there are few important points to keep in mind:

- [DCF-SAMH Office of Opioid Recovery User Access Request Form \[app.smartsheet.com\]](https://app.smartsheet.com)
- Each person needing access should complete the Smartsheet form.
- First-time requestors should select “**Add New User**” in the Action Requested box dropdown.
- Ensure that the checkbox for “**Check here when you are ready to proceed with the rest of the form**” is selected, as it will reveal the remaining questions.
- The CF112 **Confidentiality Nondisclosure Agreement link is provided within the form**. If you’ve completed this agreement and the DCF Security Awareness Certificate within the past 365 days, you may attach the same documentation.
- If you need to complete the DCF Security Awareness training video, our team will set you up in the My FL Learn training portal, and you will receive a separate email with setup instructions.

GENERAL			
The following questions relate to the internal accounting controls of the overall organization.	Yes	No	N/A
1. Are the duties for key employees of the organization defined?			
2. Is there an organization chart that sets forth the actual lines of responsibility?			
3. Are written procedures maintained covering the recording of transactions?			
a. Covering an accounting manual?			
b. Covering a chart of accounts?			
4. Do the procedures, chart of accounts, etc., provide for identifying receipts and expenditures of program funds separately for each grant?			
5. Does the accounting system provide for accumulating and recording expenditures by grant and cost category shown in the approved budget?			
6. Does the organization maintain a policy manual covering the following:			
a. Approval authority for financial transactions?			
b. Guidelines for controlling expenditures, such as purchasing requirements and travel authorizations?			
7. Are there procedures governing the maintenance of accounting records?			
a. Are subsidiary records for accounts payable, accounts receivable, etc., balanced with control accounts on a monthly basis?			
b. Are journal entries approved, explained and supported?			
c. Do accrual accounts provide adequate control over income and expense?			
d. Are accounting records and valuables secured in limited access areas?			
8. Are duties separated so that no one individual has complete authority over an entire financial transaction?			
9. Does the organization use an operating budget to control funds by activity?			
10. Are there controls to prevent expenditure of funds in excess of approved, budgeted amounts? For example, are purchase requisitions reviewed against remaining amount in budget category?			
11. Has any aspect of the organization's activities been audited within the past 2 years by another governmental agency or independent public accountant?			
12. Has the organization obtained fidelity bond coverage for responsible officials?			
13. Has the organization obtained fidelity bond coverage in the amounts required by statutes or organization policy?			
14. Are grant financial reports prepared for required accounting periods within the time imposed by the grantors?			
15. Does the organization have an indirect cost allocation plan or a negotiated indirect cost rate?			

CASH RECEIPTS	YES	NO	N/A
1. Does the organization have subgrant agreements which provide for advance payments and/or reimbursement of cost?			
2. If advance payments have been made to the organization:			
a. Are funds maintained in a bank with sufficient federal deposit insurance?			
b. Is there an understanding of the terms of the advance (i.e. to be used before costs can be submitted for reimbursement)?			

PURCHASING, RECEIVING, AND ACCOUNTS PAYABLE	YES	NO	N/A
The following conditions are indicative of satisfactory control over purchasing, receiving, and accounts payable.			
1. Prenumbered purchase orders are used for all items of cost and expense.			
2. There are procedures to ensure procurement at competitive prices.			
3. Receiving reports are used to control the receipt of merchandise.			
4. There is effective review by a responsible official following prescribed procedures for program coding, pricing, and extending vendors' invoices.			
5. Invoices are matched with purchase orders and receiving reports.			
6. Costs are reviewed for charges to direct and indirect cost centers in accordance with applicable grant agreements and applicable Federal Management circulars pertaining to cost principles.			
7. When accrual accounting is required, the organization has adequate controls such as checklists for statement closing procedures to ensure that open invoices and un-invoiced amounts for goods and services received are properly accrued or recorded in the books or controlled through worksheet entries.			
8. There is adequate segregation of duties in that different individuals are responsible for (a) purchase (b) receipt of merchandise or services, and (c) voucher approval.			

PURCHASING	YES	NO	N/A
1. Is the purchasing function separate from accounting and receiving?			
2. Does the organization obtain competitive bids for items, such as rental or service agreements, over specified amounts?			
3. Is the purchasing agent required to obtain additional approval on purchase orders above a stated amount?			
4. Are there procedures to obtain the best possible price for items not subject to competitive bidding requirements, such as approved vendor lists and supply item catalogs?			
5. Are purchase orders required for purchasing all equipment and services?			
6. Are purchase orders controlled and accounted for by prenumbering and keeping a logbook?			
7. Are the organization's normal policies, such as competitive bid requirements, the same as grant agreements and related regulations?			
8. Is the purchasing department required to maintain control over items or dollar amounts requiring the ADECA to give advance approval?			

9. Under the terms of 2 CFR 200, certain costs and expenditures incurred by units of State and local governments are allowable only upon specific prior approval of the grantor Federal agency. The grantee organization should have established policies and procedures governing the prior approval of expenditures in the following categories.			
a. Automatic data processing costs.			
b. Building space rental costs.			
c. Costs related to the maintenance and operation of the organization's facilities.			
d. Costs related to the rearrangement and alteration of the organization's facilities.			
e. Allowances for depreciation and use of publicly owned buildings.

g. Capital expenditures.			
h. Insurance and indemnification expenses.			
i. The cost of management studies.			
j. Preagreement costs.			
k. Professional services costs.			
l. Proposal costs.			
10. Under the terms of 2 CFR 200 certain costs incurred by units of State and local governments are <u>not</u> allowable as charges to Federal grants. The grantee organization should have established policies and procedures to preclude charging Federal grant programs with the following types of costs.			
a. Bad debt expenses.			
b. Contingencies.			
c. Contribution and donation expenditures			
d. Entertainment expenses.			
e. Fines and penalties.			
f. Interest and other financial costs.			
g. Legislative expenses.			
h. Charges representing the nonrecovery of costs under grant agreements.			

RECEIVING	YES	NO	N/A
1. Does the organization have a receiving function to handle receipt of all materials and equipment?			
2. Are supplies and equipment inspected and counted before acceptance for use?			
3. Are quantities and descriptions of supplies and equipment checked by the receiving department against a copy of the purchase order or some other form of notification?			
4. Is a logbook or permanent copy of the receiving ticket kept in the receiving department?			
ACCOUNTS PAYABLE	YES	NO	N/A
1. Is control established over incoming vendor invoices?			
2. Are receiving reports matched to the vendor invoices and purchase orders, and are all of these documents kept in accessible files?			

3. Are charges for services required to be supported by evidence of performance by individuals other than the ones who incurred the obligations?			
4. Are extensions on invoices and applicable freight charges checked by accounts payable personnel?			
5. Is the program to be charged entered on the invoice and checked against the purchase order and approved budget?			
6. Is there an auditor of disbursements who reviews each voucher to see that proper procedures have been followed?			
7. Are checks adequately cross referenced to vouchers?			
8. Are there individuals responsible for accounts payable other than those responsible for cash receipts?			
9. Are accrual accounts kept for items which are not invoiced or paid on a regular basis?			
10. Are unpaid vouchers totaled and compared with the general ledger on a monthly basis?			

CASH DISBURSEMENTS	YES	NO	N/A
The following conditions are indicative of satisfactory controls over cash disbursements:			
i. Duties are adequately separated; different persons prepare checks, sign checks, reconcile bank accounts, and have access to cash receipts.			
ii. All disbursements are properly supported by evidence of receipt and approval of the related goods and services.			
iii. Blank checks are <u>not</u> signed.			
iv. Unissued checks are kept in a secure area.			
v. Bank accounts are reconciled monthly.			
vi. Bank accounts and check signers are authorized by the board of directors or trustees.			
vii. Petty cash vouchers are required for each fund disbursement.			
viii. The petty cash fund is kept on an imprest basis.			
1. Are checks controlled and accounted for with safeguards over unused, returned, and voided checks?			
2. Is the drawing of checks to cash or bearer prohibited?			
3. Do supporting documents, such as invoices, purchase orders, and receiving reports, accompany checks for the check signers' review?			
4. Are vouchers and supporting documents appropriately cancelled (stamped or perforated) to prevent duplicate payments?			
5. If check signing plates are used, are they adequately controlled (i.e., maintained by a responsible official who reviews and accounts for prepared checks)?			
6. Are two signatures required on all checks or on checks over stated amounts?			
7. Are check signers responsible officials or employees of the organization?			
8. Is the person who prepares the check or initiates the voucher other than the person who mails the check?			
9. Are bank accounts reconciled monthly and are differences resolved?			
10. Concerning petty cash disbursements:			

a. Is petty cash reimbursed by check and are disbursements reviewed at that time?			
b. Is there a maximum amount, reasonable in the circumstances, for payments made in cash?			
c. Are petty cash vouchers written in ink to prevent alteration?			
d. Are petty cash vouchers canceled upon reimbursement of the fund to prevent their reuse?			

PAYROLL	YES	NO	N/A
The following conditions are indicative of satisfactory controls of payroll: i. Written authorizations are on file for all employees covering rates of pay, withholdings and deductions. ii. The organization has written personnel policies covering job descriptions, hiring procedures, promotions, and dismissals. iii. Distribution of payroll charges is based on documentation prepared outside the payroll department. iv. Payroll charges are reviewed against program budgets and deviations are reported to management for follow-up action. v. Adequate timekeeping procedures, including the use of time clock or attendance sheets and supervisory review and approval, are employed for controlling paid time. vi. Payroll checks are prepared and distributed by individuals independent of each other. vii. Other key payroll and personnel duties such as timekeeping, salary authorization and personnel administration are adequately separated.			
1. Are payroll and personnel policies governing compensation in accordance with the requirements of grant agreements?			
2. Are there procedures to ensure that employees are paid in accordance with approved wage and salary rates?			
3. Is the distribution of payroll charges checked by a second person and are aggregate amounts compared to the approved budget?			
4. Are wages paid at or above the Federal minimum wage?			
5. Are procedures adequate for controlling: (a) Overtime wages, (b) Overtime work authorization, and (c) Supervisory approval of overtime?			
6. Are payroll checks distributed by persons not responsible for preparing the checks?

Actual Cost expenses shall mean expenses authorized by the COUNTY pursuant to this Agreement, and reasonably incurred by AGENCY directly in connection with AGENCY’S performance of its duties and Scope of Work pursuant to this Agreement. AGENCY will sustain the program for the full Agreement period regardless of the rate of expenditure of above funds.

For actual cost reimbursement items, backup documentation must be submitted along with the invoice and signed cover letter that may include but is not limited to the following: program general ledger, copies of paid receipts, copies of checks, invoices, or any other applicable documents acceptable to the Palm Beach County Department of Community Services. Additional items may be requested as part of the invoice submission, or via desk and/or on-site monitoring on a periodic basis.

ATTACHMENT 11 - INSURANCE REQUIREMENTS

Prior to execution of the agreement by the COUNTY, the AGENCY must obtain all insurance required under this article and have such insurance approved by the COUNTY's Risk Management Department.

- A. AGENCY shall, at its sole expense, agree to maintain in full force and effect at all times during the term of the agreement, insurance coverage and limits (including endorsements), as described herein. AGENCY shall agree to provide the COUNTY with at least ten (10) day prior notice of any cancellation, non-renewal or material change to the insurance coverages. The requirements contained herein, as well as COUNTY's review or acceptance of insurance maintained by AGENCY are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by AGENCY under the Agreement. Where permitted by the policy, coverage shall apply on a primary and non-contributory basis.
- B. **Commercial General Liability** AGENCY shall maintain Commercial General Liability at a limit of liability not less than **\$500,000** Each Occurrence. Coverage shall not contain any endorsement excluding Contractual Liability or Cross Liability unless granted in writing by COUNTY's Risk Management Department.
- B. **Business Automobile Liability** AGENCY shall maintain Business Automobile Liability at a limit of liability not less than **\$500,000** Each Accident for all owned, non-owned and hired automobiles. In the event AGENCY does not own any automobiles, the Business Auto Liability requirement shall be amended allowing AGENCY to agree to maintain only Hired & Non-Owned Auto Liability. This amended requirement may be satisfied by way of endorsement to the Commercial General Liability, or separate Business Auto coverage form.
- C. **Workers' Compensation Insurance & Employers Liability** AGENCY shall maintain Workers' Compensation & Employers Liability in accordance with Florida Statute Chapter 440.
- D. **Professional Liability** AGENCY shall maintain Professional Liability or equivalent Errors & Omissions Liability at a limit of liability not less than **\$1,000,000** Each Claim. When a self-insured retention (SIR) or deductible exceeds **\$10,000**, COUNTY reserves the right, but not the obligation, to review and request a copy of AGENCY's most recent annual report or audited financial statement. For policies written on a "Claims-Made" basis, AGENCY shall maintain a Retroactive Date prior to or equal to the effective date of the agreement. The Certificate of Insurance providing evidence of the purchase of this coverage shall clearly indicate whether coverage is provided on an "occurrence" or "claims - made" form. If coverage is provided on a "claims - made" form the Certificate of Insurance must also clearly indicate the "retroactive date" of coverage. In the event the policy is canceled, non-renewed, switched to an Occurrence Form, retroactive date advanced, or any other event triggering the right to purchase a Supplement Extended Reporting Period (SERP) during the life of the agreement, AGENCY shall purchase a SERP with a minimum reporting period not less than three (3) years.
- E. **Additional Insured** AGENCY shall endorse the COUNTY as an Additional Insured with a CG 2026 Additional Insured - Designated Person or Organization endorsement, or its equivalent, to the Commercial General Liability. The Additional Insured endorsement shall read "Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, Employees and Agents."

- F. **Waiver of Subrogation** AGENCY hereby waives any and all rights of Subrogation against the COUNTY, its officers, employees and agents for each required policy. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss contract to waive subrogation without an endorsement to the policy, then AGENCY shall agree to notify the insurer and request the policy be endorsed with a Waiver of Transfer of rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy, which specifically prohibits such an endorsement, or which voids coverage should AGENCY enter into such a contract on a pre- loss basis.
- G. **Certificate(s) of Insurance** No later than the execution of the agreement, AGENCY shall deliver to the COUNTY’s representative as identified in Article 24, a Certificate(s) of Insurance evidencing that all types and amounts of insurance coverages required by the agreement have been obtained and are in full force and effect. The Certificate of Insurance shall be issued to
- Palm Beach County Board of
Commissioners c/o Community Services
Department
810 West Datura Street
West Palm Beach, FL
33401
ATTN: Office of Behavioral Health and Substance Use Disorders
- H. **Umbrella or Excess Liability** If necessary, AGENCY may satisfy the minimum limits required above for Commercial General Liability, Business Auto Liability, and Employer’s Liability coverage under Umbrella or Excess Liability. The Umbrella or Excess Liability shall have an Aggregate limit not less than the highest “Each Occurrence” limit for either Commercial General Liability, Business Auto Liability, or Employer’s Liability. The COUNTY shall be specifically endorsed as an “Additional Insured” on the Umbrella or Excess Liability, unless the Certificate of Insurance notes the Umbrella or Excess Liability provides coverage on a “Follow-Form” basis.

Right to Review COUNTY, by and through its Risk Management Department, in cooperation with the contracting/monitoring department, reserves the right to review, modify, reject or accept any required policies of insurance, including limits, coverage, or endorsements, herein from time to time throughout the term of the agreement. COUNTY reserves the right, but not the obligation, to review and reject any insurer providing coverage because of its poor financial condition or failure to operate legally.
